November Meeting Minutes:

The November meeting was called to order at 7:10 by president Doug Schneider. There were 20 members present, and four guests. There was a nice turn out at the symposium this year; there were 140 registered people, 10-15 students, and 20 free members.

Lee Carter addressed the members to get involved with A.A.W., to apply for grants, and to run for a board position. The A.A.W. will break 10,000 members this year. Lee encouraged the club members to join the A.A.W. for all of the benefits that they offer.

The club challenge for the A.A.W. this year will be "put a lid on it"; start thinking of ideas for this year.

The club will be moving across the alley in January to use the bigger facilities for the meetings and demo's. We will also be renting a mailbox in Ft.Collins.

Treasure's Report:

The Rocky Mountain Woodturners have \$ 7147.29 in the club's account at time of printing.

Secretary Notice:

The dues for 2003 will be due in January. The dues are still \$20.00 for members, and \$12.00 for students up to 18 years old. When you pay your dues this year you will need to fill out a new information card. The club will put out a member directory to all members. If you have information that you do not want printed, let me know so that it is not included.

Symposium Notes:

Mark reports that the symposium this year was a success. The symposium next year will probably be on Oct.11. We will try to get both dry craft rooms next year. This year we only sold 20 out of 50 t-shirts that we ordered. We would like to thank all the people that helped with the symposium.

Show and Tell:

Drew Nichols brought in a hanging tablecloth shaped stand painted white with a cherry female form on top.

Dale Kechter brought in an Italian alabaster vessel trimmed with tulipwood.

Mike Paulson brought in a spalted box elder burl box with a square rim, and a stump wood box elder box

Doug Schneider brought in two box elder hollow forms with holes in them.

Christmas Party:

The Christmas Party this year will be on Thursday Dec 5.at Mountain Range Shadows. The party this year is a potluck, so you will need to bring your own plates and utensils. We can't get into the building before 6pm, so plan accordingly

Notices:

Doug Schneider would like to thank everyone for their support and best wishes during his medical problems. Biata Rabinovich is new to wood turning and would like any help to learn more you can call her at 970-412-8701.
