### *Calling for Articles*

If you have been to a demonstration, developed a technique or have information to share, please consider writing an article for the newsletter. Those of us who could not attend the Denver woodworking show or the Utah symposium would love to hear of your experiences.

*If you have any  
woodturning related  
items you would like*

### *to buy, sell or give away*

give the information, in writing, to Linda Fellion. The club decided publishing these items in the newsletter would be a valuable service to members.

Members voted on two club logos during the April meeting. Watch for the logo on next months newsletter.

### *Is your name missing from the Member List?*

If, in my haste, I have left your name off of the attached member list, please let me know. The member list provided will not be published again for 6 months to a year.
