---

**February Meeting Minutes:** The February meeting was called to order at 7:05 by president Allen Jensen. There were 36 members present, and 4 guests.

Mark Kurzmack has booked the Loveland High School for the symposium on Oct. 11-12 this year. We will have 5 or 6 rooms this year that will solve the noise problems of the past. The cafeteria will be used for the opening and closing ceremonies. There will be 30+ rotations, over the two-day event.

Lee Carter informed the club that after this semester, C.S.U. would be closing the under graduate wood arts program. Lee is also selling a woodworkers estate, if you are interested in any of the tools contact Lee Carter.

Carl Voss is the new editor of the A.A.W. magazine.

---

**Treasurers Report:**

Drew Nichols reports that the club has \$6501.00 in its account.

---

**March Challenge:** Salad bowls will be the challenge for March. Bring a tool or jig that you use and tell everyone how you use it.

---

**Secretary Notice:**

All members that have not paid their dues need to do so as soon as possible. We would like to put out a members directory as soon as all the dues are paid. The May meeting will be held on May 15 one week late due to Provo. The March newsletter is the cut off for anyone that has not paid their dues

---

**Symposium Meeting:** There will be an organizing meeting for the Symposium committee at Loveland High School on Sunday March 9 at 2 PM. This will be your chance to view the facility, talk about various options, and sign up for areas of responsibility. Allen has already lined up Richard Raffin and Jacques Vesery. We also have Mike Paulson, Don Deatherage, David Nittmann, Pete Holtus, and Doug Schneider have already volunteered for demos. Loveland High School is located at 920

W 29<sup>th</sup> St in Loveland. Park in the East lot, and go in the door near the dust collector in the back of the school.

---

**Demos:**

Dale Kechter asked the members for suggestions for future demos. Some suggestions were segmented turning, sharpening, hollow forms, safety, tool usage, tool making, how to critique work, log usage, how artists get their ideas, marketing, and woodturning as a business. If you have other suggestions for demos, or see one that has been suggested let Dale know. We would like to have demos that people want to see.

---

**Show and Tell:**

Doug Schneider brought in his first hollow form since his surgery, and a cane that he made for his father. It is made out of bocote with a screw off tip.

Don Deatherage brought a set of vortex salt and pepper shakers out of walnut and maple.

Mike Paulson brought in a small-bottomed vase with a lacquer finish and nice form.

Pete Holtus brought in several boxes in different styles.

Lee Whiteside brought in a crabapple bowl with a nice finish. A walnut and box elder bowl with a square cut bottom.

Dale Kechter brought in a nice piece made out of Colo. Alabaster.

---

**Wood Raffle:**

There will be a wood raffle and anything else that you care to donate raffle at the March meeting

---

**Newsletter Deadline:**

The deadline for submitting articles and information for the Rocky Mountain Woodturners newsletter is the 25<sup>th</sup> of the month.

---

**Library & Video Notice:**

Please check your shelves for any books or videos belonging to the RMWT library, and return them at the March meeting.
