## **2. WOODWORKER'S CUSTOM-BUILT/ROCK MAPLE WORKBENCH – An Enhanced Reproduction of the LIE-NIELSEN “Large” Workbench – Using L-N Designs & L-N Vise Hardware + \$475 in Included Extras.**

- **Construction Features:**
  - 100% Hard Rock Maple Construction (\$1700, my cost – Austin Hardwoods, Inc.)
  - ~4” Thick Maple Top
  - ~6” Square “extra thick” Maple Leg Construction for added weight/stability
  - Extra-wide/thick Maple front & rear cross-trestle construction for added weight/stability
  - Lie-Nielsen Vise Hardware:
    - Shoulder Vise: 18” Chain Drive Hardware (\$285, current L-N price)
    - Tail Vise: No “L” Tail Vice Hardware (\$285, current L-N price)
    - Lie-Nielsen Handles on each vise (\$90, current L-N price)
  - Dimensions (vises closed): Length, 7’8”; Depth, 2’1”
  - Weight: ~500 lbs. L-N large vice weighs 420.
  - Draw-bored leg construction for assembly/disassembly (breaks down to 5 pieces)
  - Removable Maple Lower Shelf for storage (not available via L-N)
  - Finished in L-N recommended/patented formula of equal parts mineral spirits, Sparr varnish, and boiled linseed oil
- **Extras Included:**
  - Jet JMB-UMB-HD Mobile Base (\$140)
  - Hard-Rubber Work Mats for Bench Top and Shelf (\$40)
  - Lie-Nielsen Bench Dogs:
    - 2 Metal (\$75/pair, current L-N price)
    - 2 Wood (\$50/pair, current L-N price)
  - Veritas Hold Downs (2): (\$170, current price)
- **Barely used (recently finished), no dents, scratches, etc. – in absolutely “mint” condition.**
- **Offered price: \$2575 (price includes \$475 of extras listed above).** (Note: Offered price is actually about \$150 below just my total cost of construction materials and the included extras). Current L-N price for its large workbench (Including Tax & S/H) = \$3500 + \$140 Tax (@4.0%) + \$600 Shipping (L-N’s shipping estimate to Colorado) = \$4240. I do not recommend the L-N Standard Workbench: weighing only 340 lbs., it is not sufficiently heavy/stable for serious woodworking.
