February 1997	Multi-axis Turning	David Nittmann
March 1997	Chucking Techniques	Lee Carter

MONTHLY MEETING

Thursday, March 21
Colorado State University
Industrial Sciences Bld.
Room 105
Business Meeting 7:00pm
Demonstration 7:30pm

Earl Ellis will demonstrate turning goblets and chip carving.

Don't forget to turn a goblet of your own and bring it to the meeting. Your name will be entered in a drawing for a \$25 gift certificate to the Wood Emporium. If you donate an item to the raffle, you will get a free raffle ticket.

If you have woodturning related items you would like to buy, sell or give away give the information, in writing, to Linda Fellion. The club decided publishing these items in the newsletter would be a valuable service to members.

Nuts & Bolts

Notes from February Meeting

Sharpening jigs and techniques were demonstrated. Dave Nittmann has several books on sharpening. Call Dave or ask at the next meeting if you would like a recommendation for a book on sharpening.

The Elm trees in the oval are going to be removed. They might be a good source for green turning wood.

The turning challenge for the March meeting is goblets. Each person who brings a goblet to the meeting will participate in a drawing for a \$25 gift certificate to the Wood Emporium in Loveland.

It has been decided that the mini-symposium which was to be developed by Pikes Peak Woodtumers, Front Range Woodturners, and Rocky Mountain Woodtumers will not be held. A project of this size requires more of a time commitment than members of the various clubs were able to make at this time.

COMMITTEE INFORMATION

Treasurer's Report - As of the February meeting, The checkbook balance was \$1023.93.

Club Library - Members voted to allocate \$350 to purchase additional resources for the library. Approval was also given to subscribing to the a British wood turning magazine.

Program - Trent Bosch and Lee Carter have been working to put together the schedule of demonstrations for the coming year, which you will find on the first page of this newsletter. Please keep in mind that some of these presenters are still tentative and the schedule may change.

Wood Exchange - Jim Ferry shipped two boxes of aspen to a club in Georgia. We are eagerly awaiting the pecan and boxwood that is being sent in exchange. An update will hopefully be available at the March meeting.

Fundraising - No action has been taken on plans for fundraising in 1996. At this time it appears that the raffle is generating enough money to meet the clubs needs. If you have ideas or opinions about fundraising activities, please feel free to call Trent Bosch or Linda Fellion.
