The Symposium met on July 22 at Lloyd's house. I urge all committee members to contact each other and start working immediately on the details for the October event. The summer is slipping away fast. We have only have 2-1/2 months left!!

## July Demo Highlights

Quotes from Soren Berger - New Zealand.

He turned a little hand scoop entirely on the lathe!

- \* Build your market and have marketeers help develop your market.
- \* Build your confidence, don't give it away.
- \* The tighter you hold on, the bigger the bang when it catches.
- \* You can turn with anything!
- \* Big tools catch easier!
- \* Use facets on your lids and tops.
- \* Let the tool do the work.
- \* Keep the handle down on the inside of a bowl so that the shavings will flow down the flute of the gouge.
- \* Don't use your arms only, use entire body to shift from left to right or right to left.

*Devoted to Symposium details & committee.*  
*Don't miss a minute. Phone in newsletter.*

Thanks again for a great meeting and demonstration

Hi Guys

Ray Kowrach

The meeting yesterday, in my opinion went the way all meetings should go. How slick it was. Most of the routine business need not be passed in front of the membership. We have the mandate to run the routine business as needed to get the job done. My thanks Lloyd and Kevin. You make my job easy.

Editors note:

Because I needed to mail out the map for the August 7th demonstration at Longmont, there will not be an e-mail newsletter this month.

The Soren Burger demonstration was really good and fun. We had 32 members and guests attend. \$224.00 was collected including one IOU. That pays for Soren plus a little bit extra.

Kevin Dunn  
RMWT Newsletter Editor

I suggest we establish a benchmark for demonstrations. Divide the cost by 30 and round off the result to the nearest dollar. A \$200 fee results in a \$7 charge attend. A \$250 fee results in a \$8 charge. If we want to make money we can establish a \$10.00 charge but I would like to see a vote on that amount. We would make about a \$100 each time at \$10 a clip. Non members should pay \$10.00 regardless, even if it is free to members.

If we put this in the newsletter, no one should be surprised. I would like a standard paragraph outlining our fee schedule in every newsletter. We can talk about this later at a business meeting. Lloyd, can you make it a agenda item.

I paid for \$96.34 a number of shirts with the RMWT logo last month. Doug Schneider has the shirts to distribute. We should see a return of about \$120 or \$5.00 per shirt. If you see him, give him a gentle reminder. He always has come through in the past and handles all orders for shirts through All American Athletics.
