**December 5** Christmas Party  
Mountain Range Shadows

**Saturday 9/06/03 at 1:30 PM**  
**1825 Longworth Rd.**  
**Ft. Collins, CO**  
**See attached map;**

**Agenda:**

Announcements  
Show and Tell  
Wood Raffle  
Monthly Challenge

**Demo: Dan Bailey**

**Byron Caldwell**  
Cutting bowl  
blanks from logs

**Meeting Minutes:**

President Allen Jensen called the meeting to order at 7:05. Old business consisted of discussion and preparation for the 5<sup>th</sup> Annual Woodturners Symposium at Loveland High School.

**Meeting Change for September:**

Due to the nature of the demo this month, it is being changed to a Saturday. The topic of the demo is chainsaw maintenance and cutting bowl blanks from logs. Bring your chainsaw and safety gear and don't forget your safety glasses and ear plugs. The demonstrators are Byron Caldwell and Dan Bailey.

**Treasures Report:**

The treasurer's report was not available before printing.

**Elections Notice:**

Elections are coming up in November. Be sure to come and vote for the people that you would like to see in office next year.

**September Challenge:**

The challenge for September is banksia pods. David Nittmann won the gift certificate to the Wood Emporium for the August challenge.

**Video Cameras and Videographers Needed:**

The 2003 RMWT Symposium on October 11<sup>th</sup> and 12<sup>th</sup> is rapidly approaching. We would like to have video cameras in all the demonstration rooms to allow video monitoring of the

demonstrations. Six demonstrations rooms will be used, so we will need six video cameras. I have commitments for three, and am looking for three more members to volunteer the use of their video camera for the two-day symposium. If you have a tall tripod that fits your camera, that would be helpful. Also, we need numerous volunteers to operate the video cameras. If you would be willing to take a turn or two behind a camera (usually the best seat in the house), I would like to hear from you. I will notify all volunteers of the rotations schedule so you can sign up for specific demonstrations that you would like to work. Please contact me if you would be willing to loan us your camera or your time. Your help is not only appreciated, but necessary, in making this our best symposium yet!

John Harpold

Symposium AV Chairman

**Show and Tell:**

I am sorry to report that there is no information or photos of the items this month due to technical difficulties.

**Demo.**

Cindy Drozda gave us some great ideas on how to use Banksia pods in our projects. She also shared some techniques to help insure success when using pods.
