December Meeting Minutes

The December meeting was the annual Christmas party held at the Mummy Range Community center. There was no actual meeting other than the club members getting together having a fun and relaxing time with a lot of good food. The top wars did not take place this year, not enough people brought tops to have one. The instant gallery had several nice pieces that were brought in by members. I would like to thank everyone who came and shared the evening. I hope everyone had a wonderful holiday season, and wishing everyone a happy, healthy new year.
