MONTHLY MEETING

Monday, July 15
Room 105
Industrial Sciences Bldg
Colorado State University
Business Meeting 6:30pm
Demonstrations 7:00pm

Melvin Furminger will demonstrate.

Combined materials is the June challenge. As always, if you bring a turning your name will be entered in a drawing for a \$25 gift certificate to the Wood Emporium.

Bring an item for the raffle. You will get a free raffle ticket.

If you have woodturning related items you would like to buy, sell or give away give the information, in writing, to Linda Fellion. The club decided publishing these items in the newsletter would be a valuable service to members.

Nuts & Bolts

Notes from June Meeting

Steve Dittelman spoke to the club about a woodshop being set up in the Fort Collins Senior Center. Volunteers with knowlege and experience in all phases of woodworking are needed to teach classes and to staff the shop during open hours. Equipment is also needed. If you are interested in contributing your time or donating equipment, call the Fort Collins Senior Center. Al Cummins arranged to have a lathe from Chuck Paddocks estate donated to the shop.

For July, the turning challenge is combined materials.

Lee Carter will be offering a mini-workshop in his shop with Melvin

Furminger during the day on July 15. Space is limited. If you are interested, call Lee to see if space is still available.

Club Library - An updated library list was distributed at the June meeting. A copy is also included in this newsletter for those who were unable to attend the June meeting.
