### November Meeting Minutes:

The meeting was called to order at 7:35 by president Allen Jensen. There were 18 members present for the meeting. The symposium was the main topic of discussion at the meeting. The room layout, meals, rotations, and demos were discussed. Possibly changing the format of the brochures, and making a poster to promote the symposium.

New demonstrators for next year will include some up and coming new turners, as well as some pro-turners. 2004 is the 10<sup>th</sup> anniversary of the Rocky Mountain Woodturners.

### Treasurers Report:

Drew reports that the club has \$0000 in the club account.

### Thanks from the Girl Scouts:

Girl Scout Troop 350 would like to express their gratitude for all of the help that they received during the symposium in the hands on area. They had a wonderful time and wanted to say thank you to everyone involved.

### Dues:

The dues for 2004 are going up. If you pay your dues in January, the dues will be \$20.00. From February 1 on the dues will be \$25.00. A family or couples rate will be \$35.00 in 2004. Please note this change!

### December Challenge:

The challenge for December will be Christmas ornaments. Turn a nice ornament and bring it to the Christmas party.

### Christmas Party:

The Christmas party will be at Mountain Range Shadows again this year. This year we will have a Christmas ornament contest, instead of the top wars. There will be an ornament exchange, ornament contest, and ornament auction. Don't forget to bring along a turning or two for the instant gallery.

You will need to bring your own plates and silverware, as none are provided. There will be coffee and sodas available.

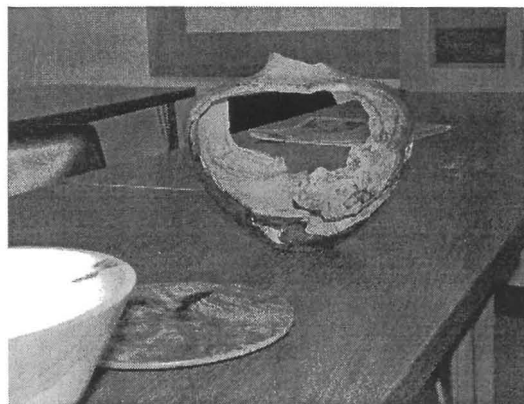

**A-F will bring an Entrée**

**G-L will bring a Salad**

**M-Z will bring a Dessert**

### Show and Tell:

Doug Schneider brought in a hollow form turned from Douglas fir, with copper filled cracks, A mesquite fly apart hollow form, that latterly flew apart, and a hickory hollow form with worm holes and inclusions.

*Doug Schneider's fly apart hollow form*

Kent Krueger brought in a myrtle burl platter with nice figure, and an ambrosia maple bowl.

Drew Nichols brought in a kaleidoscope made out of walnut and maple.

*These are some of the show and tell items.*

Allen Jensen brought in a hollow form turned from big leaf maple burl, that also flew apart, and a myrtle burl hollow form that was finished with 3 coats of Mahoney's finish.

*More items from the show and tell*
