MONTHLY MEETING

Thursday, February 15
Colorado State University
Industrial Sciences Bld
Room 105
Business Meeting 7:00pm
Demonstration 7:30pm

David Nittmann will demonstrate sharpening techniques. An assortment of sharpening jigs will also be available for members to try. Bring a tool or two, and see how they work.

Don't forget your dish for the turning challenge!

If you have woodturning related items you would like to buy, sell or give away – give the information, in writing, to Linda Fellion. The club decided publishing these items in the newsletter would be a valuable service to members.

NUTS & BOLTS

Notes from January Meeting

AAW notified the club that third party liability insurance is \$75/year. The club voted not to buy this insurance.

There was a brief discussion of positive airflow dust helmets and the health hazards of wood dust. Anyone wanting more information should contact David Nittmann. He has an article from the British Journal of Dermatology which discusses toxic woods.

The thin parting tools ordered from Chris Stott are in. If you ordered one, please contact Trent Bosch. The cost is \$10.

Committee Information

Treasurer's Report

As of the January meeting, the checkbook balance was \$1,114.41. The cost of Max Krimmel's presentation had not been deducted.

Club Library

Doug asked that suggestions of items to purchase for

the library be brought to the February meeting. We have two gift certificates from FRWT at Craft Supplies that we need to use.

Program

Members suggested ideas for future meeting topics. Lee Carter and Trent Bosch will develop a schedule and arrange presenters.

A suggestion was made that a turning challenge be part of our club agenda. For February, the challenge is to turn a "dish". Everyone who brings a dish for show & tell will have their name put in a drawing for a gift certificate at the Wood Emporium. Let's see some interesting "dishes".

Wood Acquisition

Please continue to bring wood for the raffle. Jim Ferry has made some contacts to trade some Pecan for our Aspen.

Fundraising

It was suggested that Linda Fellion bring a motion to the February meeting concerning fundraising.

Max Krimmel Demonstrates Alabaster Turning

Along with his demonstration, Max handed out four pages of notes on Alabaster turning. The handouts cover such topics as

- ▶ What is it?
- ▶ Where to get it.
- ▶ How to cut it.
- ▶ How to get it on the lathe.
- ▶ Lathe speed
- ▶ Tools
- ▶ Sanding
- ▶ Glue
- ▶ Questions you didn't know to ask.
- ▶ Other tips
- ▶ Drawing of vacuum chuck

If you were unable to attend Max's demonstration, but would like a copy of the notes, please feel free to contact me at 484-4628. I would be happy to make copies.
