## Nuts & Bolts

### Notes from August Meeting

Fundraising was again discussed during the August meeting. We need to have enough money in the treasury to continue to bring in expert turners from all over the world. Members agreed that we need to plan on advertising well known turners who present to us, and charge an admission fee. Club members would pay a reduced fee.

A sign up sheet was sent around to see who would be willing to purchase shirts with the club logo. We also discussed printing business cards with the club logo. Linda Fellion will make sure a sample is brought to the next meeting.

Dale Kecker is developing a job chart. The hope is that enough different people will sign up to do tasks that no one is over burdened by the chore of keeping the club going.

The monthly challenge for September is to turn an item of your choice. All items turned will be donated to the non-profit agency

where Linda Fellion works for their annual fundraiser. The generosity of the club in making this decision is greatly appreciated. (Linda's team may also win a mystery dinner if they get the most donations)

### Committee information

**Treasurer's Report** - As of the August meeting, the checkbook balance was \$430.88.

**Club Library** - All funds allocated to the library have been spent.

**Program** - In September, Trent Bosch will conduct an in-depth discussion and demonstration on his time with David Ellsworth. Trent received an AAW scholarship to spend three days learning from David Ellsworth.

**Wood Exchange** - No Report.

At the right is a sample business card. At the last meeting, we proposed printing business cards for club members. Cards can be printed in sheets of ten. This is ideal for those members who do not have a use for a large number of cards. I propose we charge \$3 per sheet, or 4 sheets for \$10. If you are interested in ordering these business cards, fill out the form below and bring the form and payment to the next meeting, or mail it with your check to:
