Rocky Mountain Woodturners The Rocky Mountain Woodturners formed as a group in 1994. Beginners, hobbyists, and professionals gather each month to exchange ideas and techniques about using the lathe as a tool to create functional and artistic wooden objects. Each meeting a knowledgeable demonstrator offers a woodturning topic for inspiration. Participants are encouraged to display and discuss their creations. We welcome all interested persons to join us for an evening of information and fun. Like · Comment · Share · February 22 at 4:06pm · 2 people like this.
